3. Items
 - i. Sexual Misconduct Training; students motivated by bursary.
 - ii. HealthBots; have been wrapped, just waiting on the stock and to where to be located. Looking to place at least one next to Nexus Arena. Art hoping to locate the second Health bot DT. Looking to include tampons, condoms, wet wipes, menstrual cups, Advil, and more basic pharmaceutical needs. Downtown Campus looking for tampons and condoms in a convenient area. International students looking for guidance on how to handle learning new feminine hygiene culture. Andrea suggests a “Wellness Package” consisting of 2 tampons, a pad, and a condom. Existing dispensers in bathrooms are outdated and supplies no longer manufactured by supplier.
 - iii. Orientation Week & Move-in Week; orientation was smooth and conversation was constant and prevalent, also nice to see SVP swag around campus. Bystander initiatives are going smooth and drawing a good amount of interest. Lyndi adds that orientation were engaged in the SVP table and hopes to include SVP in future vendor tabling.
 - i. Promotion
 - i. Chatham campus welcomes Jade.
 - i. Social Media presence and following continues to grow; my costume is not my consent initiative to begin.
 - ii. Tabling Hours; Tabling locations about 4x per week allowing student to have the variety of available time.
 - iii. Print Materials
 - iv. Bathroom Frames
 - ii. STORRY: Sexual Violence Prevention & Awareness Education explained by Rebecca as an event for domestic-based violence and sex trafficking awareness through song/concert.

- iii. Sexual Misconduct & Consent with Saints Football; feedback was positive and student-athletes actively participated in discussion with Alex and Cst. Adjetey-Nelson.

4. Updates

- i. SRC; healthbots have arrived and been wrapped as noted above, upcoming events include Sexy Bingo
- ii. TSI; happy to welcome Jade to the SVP work and collaborate with Student Wellness Ambassadors
- iii. Q Hall; using a digital form that contains a tracking system to catch up with residence students completing their mandatory training. Having an issue with using condoms as water balloons. Still recruiting for residence SVP students.
 - i. Gem; Heather has left and a new member will be joining next meeting
