St. Clair College is seeking an experienced and motivated professional who shares our commitment to quality and student success. The Schools of Engineering Technologies, Apprenticeships and Skilled Trades requires a full-time Chair who will be responsible for the Schools of Engineering Technologies, Apprenticeships and Skilled Trades.

Description:

St. Clair College is looking for a dynamic individual to join the management team as the Chair, Schools of Engineering Technologies, Apprenticeships and Skilled Trades. Under the direction of the Dean, Schools of Engineering Technologies, Apprenticeships and Skilled Trades, the Chair will oversee a portfolio that includes accountability for both current post-secondary programs as well as the development of new initiatives. The Chair is responsible for academic and administrative leadership, planning, development and supervision of all activities in the Schools of Engineering Technologies, Apprenticeships and School of Skilled Trades and within the Ford Centre for Excellence in Manufacturing and CCIP buildings. The Chair ensures that all programs and courses are responsive, relevant and accessible to meeting the needs of our learners. Furthermore, the successful candidate ensures compliance with College goals, policies and practices, Ministry of Training, Colleges & Universities guidelines, and other accreditation bodies.

Qualifications:

A post-secondary credential in Technology or Engineering is an asset along with five years' managerial experience in a unionized environment. The ideal candidate will have an appropriate combination of education and experience. Human relations, negotiation skills, conflict resolution, time management, computer proficiency and budgeting skills are also necessary for this position. Post-graduate work at the Master's or Doctorate level and five years' experience encompassing the teaching/learning process is an asset. Applications will be accepted from all interested candidates.

Candidates selected for an interview will be required to provide a 10-minute presentation. Details will be provided when interviews are scheduled.

Please forward your resume quoting the competition # either by fax at (519) 972-2754, by online application at http://www.stclaircollege.ca/jobpostings/hr_resumes.html or by mail to Human Resources, St. Clair College of Applied Arts & Technology, 2000 Talbot Road West, Windsor, Ontario N9A 6S4. Please use one method only. Resumes must be received prior to the closing date and time.
