### Part 2:

**The Language Proficiency Requirements** for students who present with foreign credentials **must** meet one of the following benchmarks for language proficiency **prior** to admission to the program. An interview with the Chair, School of Health Sciences may be required. Applicants who have not resided in Canada more than five years must provide proof of landing. (Permanent Resident Card – Front and Back or Landing Document)

- 1) A minimum score of 6.5 on the International English Language Testing System (IELTS); or
- 2) A minimum score of 60 on the Carleton University's Canadian Academic English Language Assessment (CAEL);
- 3) Successful completion of the University of Windsor's English Language Improvement Program (ELIP) (level III) with a minimum final grade of 75%;
- 4) A minimum score of 85 on the English Proficiency Test administered by the English Language Institute of the University of Michigan (MELAB); or
- 5) A minimum score of 220 with a T.W.E. 4.5 on the Computer-based Test, 83 with an essay score of 21 on the Internet-based Test of English as a Foreign Language (T.O.E.F.L.); or
- 6) Receive a minimum of five semester transfer credits based on work completed at a recognized English-speaking University. (Normally, students must have at least one term of full-time study.); or
- 7) Receive a minimum of one year of transfer credit based on work completed at a non-university post-secondary institution with above average standing; or
- 8) Have completed all secondary or post-secondary education in English speaking countries such as the UK, West Indies and other countries as specified by the undergraduate admissions office; or
- 9) Can demonstrate that they have completed three years of full-time secondary or post-secondary study in a school where the language of instruction is English (e.g., in a British, Canadian, American or Australian Curriculum or an international diploma like the International Baccalaureate) and can demonstrate English proficiency. In some cases an English proficiency test may still be required.
