  - **Bringing in the Bystander** – November training dates to be offered soon. Beth shared a recent situation whereby a group of individuals intervened. She highlighted the importance of this training and it's effectiveness.
  - **Safe Walk** – update – it is being utilized but with it getting darker earlier, it would be beneficial to enhance promotion of this great service on campus.
  - **W'at About Us** – documentary. Katie brought this forward for discussion and potential planning. Good group discussion and questions related to who the target audience would be, supports available, possible partnership/collaboration. As an initial step, Katie will connect with the coordinator to inquire about showing this documentary in a post-secondary environment and recommendations. She will bring this information back to next month's meeting.
  - **Woman Abuse Prevention Month (November)** - Laura will be meeting with Hiatus House today to see how we can partner and offer support.

- **Social Media** – Art mentioned that last year there were some great posts about Halloween costumes and consent. It would be good to repost about this topic. Laura and the Ambassadors will plan.
