

## FALL 2021 DIAGNOSTIC MEDICAL SONOGRAPHY ADMISSION GUIDELINES

Please note that the Diagnostic program is considered oversubscribed. This means that there are more applications than there are available seats. For admission purposes, all applications will be ranked. The information provided below includes the minimum requirements needed for this program. The highest ranked applicants will receive first consideration.

**Minimum Academic Requirements:** OSSD with the majority of courses at the College (C), University (U), University/College (M) or Open (O) level plus successful completion of:

- Grade 12 English - ENG4U, ENG4C, EAE4C or EAE4U
- Grade 12 Math (C) or (U)
- Senior Level Chemistry (C) or (U)
- Senior Level Physics (C) or (U)
- Senior Level Biology (C) or (U)

Applicants who **meet** the minimum academic requirements (see above) who wish to upgrade their marks and are unclear which category they fall into should contact the Registrar's Office for admissions advice.

### **Direct Applicants - Students Currently in High School**

Students applying directly out of Grade 12 must have an OSSD with:

- Grade 12 English - ENG4U, ENG4C, EAE4C or EAE4U
- Grade 12 Math (C) or (U)
- Senior Level Chemistry (C) or (U)
- Senior Level Physics (C) or (U)
- Senior Level Biology (C) or (U)
- Completion of the Health Occupations Aptitude Exam (HOAE)

A score for a current high school applicant is derived from the overall average of all Grade 11 courses and the first semester of Grade 12 courses. This will account for 50% of your ranked score. Applicants must be registered in all required courses in order to be considered. Applicants will be ranked by highest score and selection will be made on a conditional basis for the available positions and placed on the waiting list.

All Applicants are required to complete the Health Occupations Aptitude Exam (HOAE) to be considered for admission. The HOAE represents 50% of an applicant's ranked score. Visit <http://www.stclaircollege.ca/programs/postsec/hoae/> for more information on the HOAE.

### **Indirect Applicants – Students not currently attending High School**

Includes applicants not applying directly from an Ontario high school and applicants returning to high school or an adult training centre to upgrade high school marks. These applicants must:

- Submit their high school transcript to [www.ontariocolleges.ca](http://www.ontariocolleges.ca)
- Submit ALL official post-secondary transcripts to St. Clair College. Transcripts can be ordered through [www.ontariocolleges.ca](http://www.ontariocolleges.ca) at the time of application.

All Applicants are required to complete the Health Occupations Aptitude Exam (HOAE) to be considered for admission. The HOAE represents 50% of an applicant's ranked score, the other 50% is derived from the Academic Course Requirements. Visit <http://www.stclaircollege.ca/programs/postsec/hoae/> for more information on the HOAE

## **Students currently attending St. Clair College Pre-Health Science Pathways to Advanced Diploma and Degree Programs (Fall Intake only)**

Admission Criteria for Diagnostic Medical Sonography students currently attending the Pre-Health Sciences program:

- Students must successfully complete a Pre-Health Science Pathways to Advanced Diploma and Degree Programs with a minimum cumulative 2.0 GPA before May 1<sup>st</sup> and complete the HOAE.
- A score for a current St. Clair College Pre Health Student is derived from the following:
  - Pre-admission test score (HOAE) - 50%
  - The overall average of Biology (BIO 50 & BIO 51), Chemistry (CHM 50 & CHM 51), English (ENG 107 & COM 40), Math (MTH 63 & MTH 93), and Physics (PHY 17) - 50%
- For applicants currently enrolled in a Pre-Health Science Pathways to Advanced Diploma and Degree Programs at another College, a ranking score is determined using an overall average of comparable Biology, Chemistry, Math, English and Physics courses from their program, and their HOAE score.

In the event that an applicant has a higher grade from another post-secondary institution or high school in Biology, Chemistry, Math, Physics or English it will be used for **ranking purposes only**.

Visit <http://www.stclaircollege.ca/programs/postsec/hoae/> for more information on the HOAE

## **Applicants with previous College or University**

Applicants who have completed one year of a College or University in a Health Related Program are required to be in good standing. If you **are not in good standing or have not completed one year of study** please refer to next category.

Applicants with prior Post-Secondary in Good Standing who are missing some of the required courses from high school or would like to upgrade their marks can upgrade in the following ways:

- Pre-Health Science Program completion is not required however you will need to take both Biology, Chemistry, English, Math Courses and a Physics from a Pre-Health Science Program at an Ontario College. An average for each subject will be used for ranking.
- Academic and Career Entrance (ACE) Program at an Ontario College English (ACE 10), Math (ACE 12), Biology (ACE 20), Chemistry, (ACE 22), Physics (ACE 24)
- Through an adult high school such as Mason Education Centre, St. Michaels Adult High School or ILC.

## **Applicants with No previous College/University or Less than one year or Not in good standing**

- Applicants who **do not meet** the minimum academic requirements who choose to upgrade as a Full Time Student through a college, are required to **complete** the Pre-Health Sciences Pathways to Advanced Diploma and Degree program.
- Applicants who **do not meet** the minimum academic requirements who choose to upgrade as a Part Time Student can do so through the Ontario College Academic and Career Entrance (ACE) Program. English (ACE 10), Math (ACE 12), Biology (ACE 20), Chemistry, (ACE 22), Physics (ACE 24)
- Applicants who **do not meet** the minimum academic requirements (see above) who wish to upgrade their marks may do so through an adult high school such as Mason Education Centre, St. Michaels Adult High School or ILC.

## **English Language Proficiency**

At St. Clair College all courses are taught in English and to be successful in a program, your English communication, listening, comprehension, reading and writing skills must be at a level to meet the demands of your program and to meet the professional certification requirements.

Test	Program Type
	Diploma/Certificate Programs
