ST. CLAIR COLLEGE
REGISTRAR'S OFFICE
STUDENT FEE POLICY 2020-2021

INTRODUCTION AND ACCOUNTABILITY

This document is a statement of College Policy relating to the assessment of student fees. The annual St. Clair College fee schedule is developed by applying our internal policy guidelines to the annual policy statement issued by the Ministry of Colleges and Universities (MCU).

Recommendations for changes to this policy are forwarded to the Senior Operations Group for approval. The fee schedules resulting from the application of these policies will be forwarded annually to the Board of Governors for approval.

The Registrar is accountable for the assessment and collection of all student fees in compliance with this policy. The Fee Schedule for 2020-2021 is shown in Appendix I.

(A) TUITION FEES

1. Full-time Post-secondary Program Fees – Regulated Programs

The tuition fee charged to a full-time post-secondary student for a period of in-school activity (usually a term or semester) is defined by MCU and calculated as follows:

$$\text{S.T. F.} \times \text{T.F.F.} \times \frac{\text{Wks. per term}}{\text{Total program wks.}}$$

Where S.T.F. = Standard Tuition Fee; defined annually by MCU.

T.F.F. = Tuition Fee Factor for the specific program, as assigned by MCU.

2. Full-time Post-secondary Program Fees – Additional High Demand

At the discretion of the Board of Governors, the College can introduce additional high demand fees for programs where the Board identifies that there is demand for spaces, strong employment prospects and the expectation of high income for graduates, to a maximum of 15 per cent of College enrolment. (See Appendix II for a listing of High Demand Programs).

3. Full-time Ontario College Graduate Certificate Fees

At the discretion of the Board of Governors, additional high demand may be introduced for students in full-time Ontario College Graduate Certificate

programs. This enrolment is excluded from the 15% overall enrolment calculation.

4. Fees for Part-time Activity

a) Fully Funded Part-time Activity

The standard tuition fee for all part-time activity that is recognized for full provincial funding is assessed based on the contact hour fee as specified annually by MCU (standard part-time tuition fee = \$6.11 per hour).

b) Other Part-time Activity

Colleges may charge fees, as they deem appropriate for courses that are not recognized for full provincial funding.

NOTE: To determine full-time or part-time status, the student's total course registrations less non-funded courses will be considered in the program registration.

5. Fees for Prior Learning Assessment (PLA) Activity

Tuition fees for portfolio development courses are to be assessed as a flat rate.

In no case can the PLA fee exceed the regular course tuition fee, based on MCU's specified part-time rates.

MCU policy does not define a minimum fee (PLA fee = \$141.09).

6. Fees for Auditing Students

Colleges may charge fees, as they deem appropriate for auditing students. Auditing students are not to be included in the enrolment report for funding purposes.

7. Fees for International Students

The College defines international student fees each year. International students cannot be counted for funding purposes but are reported to MCU. International students are generally only accepted into undersubscribed programs. High demand fees are excluded from the International Student Fees.

8. U.S.A. Fees

The College has a fee policy that is applicable only to students from the United States of America. These reduced fees do not apply to oversubscribed

programs, as U.S.A. students are generally only accepted into undersubscribed programs. High demand fees are excluded from the U.S.A. Fees.

9. Special Fees

9.1 Special Reduced Fees

St. Clair College recognizes the need to accommodate the special needs of certain members of its constituency and as a result may reduce fees for some of these populations.

a) Students on Social Assistance

Eligible part-time students, day or evening, will have tuition fees assessed based on 20% of the regular tuition to a minimum of \$20.00 per course. These reductions will apply only to fully funded (MCU) courses. The College reserves the right to exclude specifically designed courses. These reductions will be subject to available space in individual course sections. There will be no reduction of applicable service fees, registration, material fees, etc.

b) College Employees and Retirees

Any full-time employee, part-time employee (who is working at least 24 hours/week during the semester in which the course is offered), or a full-time College employee who has officially retired may take a College course upon payment of a non-refundable tuition fee of \$20.00. The College reserves the right to exclude specifically designated courses. These reductions will be subject to available space in individual course sections. There will be no reduction of material fees, etc. Prior Learning Assessments (PLA) are excluded from the \$20.00 reduced fees.

c) Employee Tuition Payroll Deduction

Payroll deduction is available for full-time employees, for dependents enrolled in full-time programs. Please see College Policy for specific details.

d) Senior Discount

Seniors (age 60 and over) who register for part-time evening courses will be given a 10% discount. Seniors will be exempt from ancillary fees. There will be no reduction of material fees. These reductions will apply only to fully funded (MCU) courses. The College reserves the right to exclude specifically designated courses.

e) City of Windsor Employees

For a period of ten (10) years beginning March 2007, employees of the City of Windsor shall be permitted to enrol in any part-time credit course offered by the College at a discounted rate of thirty (30%) percent of the regular tuition charged to students for each course. The reduction is subject to space availability and provided priority of enrolment in each course shall be given to students paying full tuition. The College has approved an extension of this arrangement for the 2020-2021 academic year.

9.2 Work Experience Fees

There are three forms of work experience that impact upon a student's fee assessment – clinical training, field placement and co-operative education (see Appendix III for definitions). Where the work experience is included within a full-time program schedule, the full-time fees include the assessment of Work Experience. Clinical training is included in a student's full-time assessment. Clinical training, taken on a part-time basis, is assessed on the current hourly standard tuition fee.

Field placement is included in a student's full-time assessment. Fees for field placement courses taken by part-time students will be established by program and program requirements (i.e., cost of supervision, field placement location, specialized skills for supervisors, etc.).

Co-operative education fees will be established by program and program requirements (i.e., cost of supervision, field placement location, specialized skills for supervisors, etc.).

NOTE: Where a student is enrolled in an additional course(s)

While in a Field Placement/Co-Op semester, the regular fee assessments will apply for those courses in addition to the Field Placement/Co-Op fees.

9.3 Course Overload Fee

A student whose course load (hours of contact) exceed that normally taken by students in that academic achievement level (AAL) of the program, will be assessed fees for the overload at the previously described part-time rates.

(B) INCIDENTAL FEES

1. Tuition-Related Incidental Fees

Tuition-related incidental fees are included in the standard tuition fee. That is, having paid the required standard tuition fee, a student **cannot** be required to bear additional charges for any tuition-related fees.

Tuition-related fees include:

- Lab and shop costs
- Costs of consumable supplies and equipment and instruments not retained by the students
- Costs of mandatory field trips and mandatory field placement
- Costs of mandatory travel

2. Non-Tuition Related Incidental Fees

The College may assess non-tuition related incidental fees as described below:

- The cost of fees charged for Co-op program work semesters.
- To encourage the completion of some action by a specified deadline date (to permit College planning and resource allocation).
- To recover all, or part of the cost, of some activity requested by the student.
- To recover the cost of learning materials, equipment and/or clothing retained by the student.
- The cost of appeals, additional examinations and transcripts, graduation, parking charges and student identification cards.

A compulsory non-tuition related incidental fee is defined as a fee imposed or administered by the College in addition to standard tuition fees, which a student is required to pay in order to enrol in, or successfully complete, any course or program eligible for provincial funding. All compulsory non-tuition related incidental fees must be approved by the College's Student Fee Protocol Committee and the Board of Governors.

3. Summary of Non-Compulsory Non-Tuition Related Incidental Fees
