Consolidated Financial Statements

THE ST. CLAIR COLLEGE OF APPLIED ARTS AND TECHNOLOGY

Year ended March 31, 2024

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The consolidated financial statements of The St. Clair College of Applied Arts and Technology (the "College") are the responsibility of management and have been approved by the Board of Governors (the "Board").

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards for government not-for-profit organizations, including the 4200 series of standards, as issued by the Public Sector Accounting Board. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances. Consolidated financial statements are not precise since they include certain amounts based on estimates and judgments. Management has determined such amounts on a reasonable basis in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The College maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and that the College's assets are appropriately accounted for and adequately safeguarded.

The College's insurance liabilities have been reviewed by management in consultation with its broker. There are no material liabilities in either fact or contingency as at the date of this report.

The Board is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements. The Board carries out this responsibility principally through its Audit and Finance Committee.

The Audit and Finance Committee is appointed by the Board and meets regularly with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy itself that each party is properly discharging its responsibilities, and to review the consolidated financial statements and the external auditors' report.

The Audit and Finance Committee reports its findings to the Board for consideration when approving the consolidated financial statements. The Audit and Finance Committee also considers, for review and approval by the Board, the engagement or reappointment of the external auditors.

The consolidated financial statements have been audited by KPMG LLP, the external auditors, in accordance with Canadian generally accepted auditing standards, on behalf of the Board. KPMG LLP has full and free access to the Audit and Finance Committee.

INDEPENDENT AUDITOR'S REPORT

To the Board of Governors of The St. Clair College of Applied Arts and Technology

Opinion

We have audited the consolidated financial statements of The St. Clair College of Applied Arts and Technology (the College), which comprise:

- the consolidated statement of financial position as at March 31, 2024
- the consolidated statement of operations for the year then ended
- the consolidated statement of changes in net assets for the year then ended
- the consolidated statement of cash flows for the year then ended
- and notes to the financial statements and schedules, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the College as at March 31, 2024, and its results of operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the ***"Auditor's Responsibilities for the Audit of the Financial Statements"*** section of our auditor's report.

We are independent of the College in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KPMG

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the College's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the College or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the College's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

  The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the College's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the College to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group Entity to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our own audit opinion.

See accompanying notes to financial statements.

The St. Clair College of Applied Arts and Technology (the "College"), was incorporated in 1965 under the laws of the Province of Ontario, and is an Ontario college of applied arts and technology duly established pursuant to Ontario regulation 34/03 made under the Ontario Colleges of Applied Arts and Technology Act, 2002. The College is an agency of the crown and provides postsecondary, vocationally oriented education in the areas of applied arts, business, health sciences and technology.

The College is a not-for-profit organization and, as such, is exempt from income taxes under the Income Tax Act (Canada).

1. Significant accounting policies:

(a) Basis of presentation:

These consolidated financial statements of the College have been prepared in accordance with Canadian public sector accounting standards for government not-for-profit organizations, including the 4200 series of standards, as issued by the Public Sector Accounting Board ("PSAB for Government NPOs").

The consolidated financial statements include the accounts of the College and its wholly controlled entity, St. Clair College Foundation. All significant inter-organization balances and transactions have been eliminated on consolidation.

These consolidated financial statements do not reflect the assets, liabilities and results of operations of the various student organizations.

(b) Revenue recognition:

Revenue is recognized when the College has the ability to claim or retain an inflow of economic resources and a past transaction or event giving rise to the asset has occurred.

The College follows the deferral method of accounting for contributions, which include donations and government grants. Tuition fees and contract training revenues are recognized as income to the extent that the related courses and services are provided within the fiscal year of the College.

1. Significant accounting policies (continued):

(b) Revenue recognition (continued):

Ancillary revenues including parking, bookstore, residence, St. Clair College Centre for the Arts and other sundry revenues are recognized when products are delivered or services are provided to the student or client, the sales price is fixed and determinable, and collection is reasonably assured.

Unrestricted contributions are recognized as revenue when received or receivable and if the amount to be received can be reasonably estimated and collection is reasonably assured.

Externally restricted contributions and restricted investment income are recognized as revenue in the year in which the related expenses are incurred.

Restricted contributions for the purchase of capital assets are deferred and amortized into revenue on a straight-line basis corresponding with the amortization rate for the related capital assets.

Endowment contributions, having externally imposed restrictions requiring that the principal be maintained intact, are recognized as direct increases in endowed net assets.

Restricted investment income is recognized as revenue in the year in which the related expenses are incurred. Restricted investment income that must be maintained as an endowment is credited to net assets. Unrestricted investment income is recognized as revenue when earned.

Pledges are recorded as revenue when management can make a reasonable estimate of the amount and collection is reasonably assured. The College received pledges in the amount of $280,000 (2023 - $370,000) which have not been recorded in the accompanying financial statements.

1. Significant accounting policies (continued):

(c) Capital assets:

Purchased capital assets are recorded at cost less accumulated amortization. Contributed capital assets are recorded at fair value at the date of contribution. Repairs and maintenance costs are charged to expense. Betterments that extend the estimated life of an asset are capitalized. When a capital asset no longer contributes to the College's ability to provide services or the value of future economic benefits associated with the capital asset is less than its net book value, the carrying value of the capital asset is reduced to reflect the decline in the asset's value.

Construction in progress is not recorded as a capital asset or amortized until it is put into service.

Capital assets are capitalized on acquisition and amortized on a straight-line basis over their useful lives, which has been estimated to be as follows:

Asset	Basis
Buildings	40 years
Site improvements	10 years
Furniture & equipment	5 years
Leasehold improvements	5 years
Computer equipment	3 years

(d) Vacation pay:

The College recognizes vacation pay as an expense on the accrual basis.

1. Significant accounting policies (continued):

(e) Retirement and post-employment benefits and compensated absences:

The College provides defined retirement and post-employment benefits and compensated absences to certain employee groups. These benefits include pension, health and dental, vesting sick leave and non-vesting sick leave. The College has adopted the following policies with respect to accounting for these employee benefits:

(i) The costs of the post-employment future benefits are actuarially determined using management's best estimate of health care costs, disability recovery rates and discount rates. Adjustments to these costs arising from changes in estimates and experience gains and losses are amortized to income over the estimated average remaining service life of the employee groups on a straight line basis.

(ii) The costs of the multi-employer defined benefit pension are the employer's contributions due to the plan in the period.

(iii) The cost of vesting and non-vesting sick leave benefits are actuarially determined using management's best estimate of salary escalation, employees' use of entitlement and discount rates. Adjustments to these costs arising from changes in actuarial assumption and/or experience are recognized over the estimated average remaining service life of the employees.

(iv) The discount rate used in the determination of the above-mentioned liabilities is equal to the College's internal rate of borrowing.

(f) Financial instruments:

The College classifies its financial instruments as either fair value or amortized cost. The College's accounting policy for each category is as follows:

(i) Fair value:

This category includes equity instruments quoted in an active market. The College has designated its bond portfolio and term deposits that would otherwise be classified into the amortized cost category at fair value as the College manages and reports performance of it on a fair value basis.

1. Significant accounting policies (continued):

(f) Financial instruments (continued):

(i) Fair value (continued):

They are initially recognized at cost and subsequently carried at fair value. Changes in fair value on restricted assets are recognized as a deferred contribution until the criterion attached to the restrictions has been met.

Transaction costs related to financial instruments in the fair value category are expensed as incurred.

As the College has no financial instruments recognized at fair value which are not deferred, the College does not have a statement of remeasurement gains and losses.

(ii) Amortized cost:

This category includes accounts receivable, accounts payable, accrued liabilities and debt. They are initially recognized at cost and subsequently carried at amortized cost using the effective interest rate method, less any impairment losses on financial assets.

Transaction costs related to financial instruments in the amortized cost category are added to the carrying value of the instrument.

Write-downs on financial assets in the amortized cost category are recognized when the amount of a loss is known with sufficient precision, and there is no realistic prospect of recovery. Financial assets are then written down to net recoverable value with the write-down being recognized in the statement of operations.

1. Significant accounting policies (continued):

(g) Asset retirement obligations:

An asset retirement obligation ("ARO") is recognized when, as at the financial reporting date, all of the following criteria are met:

- There is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- The past transaction or event giving rise to the liability has occurred;
- It is expected that future economic benefits will be given up; and
- A reasonable estimate of the amount can be made.

A liability for the removal of asbestos in several buildings owned by the College has been recognized based on estimated remediation costs of asbestos removal upon repair of affected areas or upon sale or closure of the building.

Actual remediation costs incurred are charged against the ARO to the extent of the liability recorded. Differences between the actual remediation costs incurred and the associated liability recorded within the consolidation financial statements is recognized in the consolidated statement of operations at the time of remediation.

The estimated undiscounted fair value of the ARO liability resulted in an accompanying increase to Building Capital Asset. The increase to the tangible capital asset is amortized in accordance with the amortization accounting policy for the College as outlined in (c).

(h) Management estimates:

The preparation of financial statements in conformity with PSAB for Government NPOs requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the period. Actual results could differ from these estimates. Areas of key estimation includes the determination of fair value for long-term investments, allowance for doubtful accounts, the carrying amount of capital assets, the valuation and estimated timing of asset retirement obligations, and actuarial estimation of post-employment benefits and compensated absences liabilities.

2. Change in accounting policies:

On April 1, 2023, the College adopted Canadian public sector accounting standard PS 3400 Revenue. The new accounting standard establishes a single framework to categorize revenue to enhance the consistency of revenue recognition and its measurement. As at March 31, 2024, the College determined that the adoption of this new standard did not have an impact on the amounts presented in the financial statements.

3. Financial instrument classification:

The following table provides cost and fair value information of financial instruments by category. The maximum exposure to credit risk would be the carrying value as shown below:

2024	Fair value	Amortization at cost	Total
Cash	$ 69,253,915	$ -	$ 69,253,915
Accounts receivable	-	10,686,888	10,686,888
Temporary investments	247,983,107	-	247,983,107
Long-term investments	25,331,540	-	25,331,540
Accounts payable and accrued liabilities	-	51,691,811	51,691,811
Long-term debt	-	21,384,722	21,384,722
	$342,568,562	$ 83,763,421	$426,331,983

2023	Fair value	Amortization at cost	Total
Cash	$ 83,321,473	$ -	$83,321,473
Accounts receivable	-	10,156,128	10,156,128
Temporary investments	234,457,115	-	234,457,115
Long-term investments	16,558,979	-	16,558,979
Accounts payable and accrued liabilities	-	33,344,284	33,344,284
Long-term debt	-	23,422,219	23,422,219
	$334,337,567	$ 66,922,631	$401,260,198

Temporary investments consist of highly liquid investments, including cashable guaranteed investment certificates with maturities of less than one year when purchased. Long-term investments consist of equity instruments in Canadian public companies, government of Canada bonds and term deposits. Long-term investments include $25,331,540 (2023 - $16,558,979) of investments externally restricted for endowment purposes (see note 16).

3. Financial instrument classification (continued):

Long-term investments consist of the following:

	2024	2023
Fair value:		
Corporate and government bonds	17,033,158	10,571,754
Shares in public companies and mutual funds	8,298,382	5,987,225
	$ 25,331,540	$ 16,558,979

	2024	2023
Cost:		
Corporate and government bonds	16,955,196	10,693,331
Shares in public companies and mutual funds	6,241,011	4,863,248
	$ 23,196,207	$ 15,556,579

Maturity profile of bonds held is as follows:

2024	Within 1 year	1 to 5 years	6 to 10 years	Over 10 years	Total
Carrying value	$ 2,083,808	$10,398,055	$ 4,105,286	$ 446,009	$17,033,158
Percent of total	12%	61%	24%	3%	100%

2023	Within 1 year	1 to 5 years	6 to 10 years	Over 10 years	Total
Carrying value	$ 1,632,718	$ 6,779,413	$1,716,610	$ 443,013	$10,571,754
Percent of total	16%	64%	16%	4%	100%

3. Financial instrument classification (continued):

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which the fair value is observable:

(a) Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities using the last bid price;

(b) Level 2 fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

(c) Level 3 fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

2024	Level 1	Level 2	Level 3	Total
Cash	$ 69,253,915	$ -	$ -	$ 69,253,915
Temporary investments	247,983,107	-	-	247,983,107
Long-term investments	25,331,540	-	-	25,331,540
Total	$342,568,562	$ -	$ -	$342,568,562

2023	Level 1	Level 2	Level 3	Total
Cash	$ 83,321,473	$ -	$ -	$ 83,321,473
Temporary investments	234,457,115	-	-	234,457,115
Long-term investments	16,558,979	-	-	16,558,979
Total	$334,337,567	$ -	$ -	$334,337,567

There were no transfers between Level 1 and Level 2 for the years ended March 31, 2024 and 2023. There were also no transfers in or out of Level 3.

4. Acquisition of Cleary International Centre:

During 2007, the College entered into an agreement with the City of Windsor to acquire the majority of the property and assets related to the operation of the Cleary International Centre. Although the agreement provided that nominal consideration of $1 to be exchanged for the property and assets acquired, in accordance with PSAB for Government NPOs, the College has recorded the land and building at fair value. In the case of the land, its fair value of $2,325,000 was determined based upon an appraisal completed by an independent, certified appraiser. The building has been recorded at $37,376,400, its current replacement value as estimated by the College's independent insurance broker. In accordance with the College's policy for accounting for contributed capital contribution, the donation of the building is being deferred and amortized into revenue on a straight-line basis at a rate corresponding with the amortization rate of the College's other buildings, being 40 years. The fair value of certain other equipment acquired by the College has been recorded at a nominal amount of $1.

Another significant feature of this agreement is capital improvement payments of $423,250 to be paid by the city to the College on each of the closing date and the third anniversary of the closing date.

The agreement also provides the College the right to re-convey the acquired property and assets to the City of Windsor at any time on or before the twenty-fifth anniversary of the closing date of the transaction for the nominal consideration of $1.

5. Contributed land and building:

(a) 275 Victoria Avenue:

On December 10, 2009, the College entered into an agreement with the City of Windsor to acquire the land and building located at 275 Victoria Avenue. Although the agreement provided that nominal consideration of $1 to be exchanged for the land and building acquired, in accordance with Canadian public sector accounting standards, the College has recorded the land at an agreed upon amount of $917,500 to approximate fair value. No amount has been attributable to the building acquired.

The agreement also provides the College the right to re-convey the acquired property to the City of Windsor at any time on or before the fifteenth anniversary of the closing date of the transaction for an amount equal to the market value of the property, reduced by approximately $61,167 per annum on each anniversary of the closing date. Upon the fifteenth anniversary of the closing date, no further amounts would be payable upon re-conveyance of the property.

(b) 305 Victoria Avenue:

On February 16, 2012, the College entered into an agreement with the Toronto Dominion Bank to acquire the land and building at 305 Victoria Avenue. Although the agreement provided that nominal consideration of $2 be exchanged for the land and building acquired, in accordance with Canadian public sector accounting standards, the College has recorded land at an agreed upon amount of $450,000 to approximate fair value. Fair value was determined based upon an appraisal completed by an independent, certified appraiser. No amount has been attributable to the building acquired.

5. Contributed land and building (continued):

(c) Wood Lot:

On August 1, 2012 the College entered into an agreement with the City of Windsor to acquire vacant lands adjacent to College property. Although the agreement provided that nominal consideration of $1 be exchanged for the land acquired, in accordance with Canadian public sector accounting standards, the College has recorded the land at an agreed upon amount of $140,000 to approximate fair value.

The agreement also contains a restrictive covenant in perpetuity that prohibits the sale or transfer of the land and should the property cease to be used for educational or environment conservation and promotion purposes, it will be reverted to the City of Windsor for consideration of $1.

(d) Student Life Centre:

On May 1, 2016 the College entered into an agreement with the St. Clair Student Representative Council Incorporated (“SRC”) permitting the construction of a Student Life Centre on the College’s premises. The construction was primarily funded by the SRC. The agreement provided that the Student Life Centre become absolute property of the College on March 31, 2018. Although the agreement provided that no additional consideration be exchanged for the acquisition, in accordance with Canadian public sector accounting standards, the College has recorded the Student Life Centre at its final construction cost of $3,366,432 to approximate fair value.

(e) Thames Campus Addition:

On May 1, 2016 the College entered into an agreement with the St. Clair Thames Students Inc. (“TSI”) permitting the construction of an addition to the College’s premises. The construction was funded by TSI. The agreement provided that the campus addition become absolute property of the College on March 31, 2018. Although the agreement provided that no additional consideration be exchanged for the acquisition, in accordance with Canadian public sector accounting standards, the College has recorded the building expansion at its final construction cost of $1,689,875 to approximate fair value.

5. Contributed land and building (continued):

(f) 1919 County Road 27:

On June 1, 2021, the College entered into an agreement with a private donor to acquire the land, residential building and chattels of 1919 County Road 27. The property was donated to the College at $nil consideration and, in accordance with Canadian public sector accounting standards, the College has recorded land at its fair value of $452,000, building at its fair value of $398,000 and chattels at its fair value of $nil. Fair value was determined based upon an appraisal completed by an independent, certified appraiser.

6. Construction in progress:

Construction in progress represents costs incurred on certain building and equipment which was not available for use. Once the building and equipment is put in service, the total costs will be reclassified to capital assets and amortization will commence. As at March 31, 2024, construction in progress amounted to $10,531,702 (2023 - $2,514,223).

7. Capital assets:

2024	Cost	Accumulated amortization	Net book value
Land	$ 6,036,323	$ -	$ 6,036,323
Buildings, including asset retirement costs	289,198,003	98,263,951	190,934,052
Site improvements	29,918,427	13,589,861	16,328,566
Furniture & equipment	95,146,091	79,835,742	15,310,349
Computer equipment	2,774,531	2,562,855	211,676
Leasehold improvements	4,748,700	4,413,703	334,997
	$ 427,822,075	$ 198,666,112	$ 229,155,963

2023	Cost	Accumulated amortization	Net book value
Land	$ 6,074,823	$ -	$ 6,074,823
Buildings, including asset retirement costs	278,180,106	93,460,325	184,719,781
Site improvements	24,642,755	11,827,096	12,815,659
Furniture & equipment	97,801,559	84,411,486	13,390,073
Computer equipment	2,574,486	2,154,108	420,378
Leasehold improvements	5,666,571	4,836,823	829,748
	$ 414,940,300	$ 196,689,838	$ 218,250,462

Amortization expense for the year is $13,912,840 (2023 - $12,995,175).

8. Asset retirement obligations:

The College owns and operates several buildings that are known to have asbestos and there is a legal obligation to remove it upon repair of the affected areas or upon sale or closure of the building. Following the adoption of PS 3280 – Asset Retirement Obligations, the College recognized an obligation related to the remediation of asbestos in these buildings as estimated at April 1, 2021. The buildings had an estimated useful life of 40 years when they were acquired between 1970-2012.

	2024	2023
Balance, beginning of year	$ 1,019,845	$ 1,046,550
Less: obligations settled during the year	(175,769)	(26,705)
Balance, end of year	$ 844,076	$ 1,019,845

9. Deferred revenue:

	2024	2023
Advanced tuition fees	$ 95,388,591	$131,790,198
Unearned grants	6,618,428	4,348,396
Unearned rent	364,258	407,020
Other	2,383,028	2,448,567
	$104,754,305	$138,994,181

10. Long-term debt:

The College has a $5,000,000 operating line of credit. No amount has been drawn upon this operating line of credit as at March 31, 2024 (2023 - $nil). The other long-term debt outstanding at year-end consists of:

	2024	2023
6.63% debt, payable $128,585 monthly including interest, due March 28, 2028	$ 5,408,405	$ 6,551,383
2.147% debt, payable $200,975 semi-annually including interest, due May 14, 2025	590,207	973,305
4.730% debt, payable $628,383 semi-annually including interest, due September 2, 2042	15,386,110	15,897,531
	21,384,722	23,422,219
Current portion of long-term debt	(2,148,344)	(2,037,497)
	$ 19,236,378	$ 21,384,722

10. Long term debt (continued):

The scheduled principal amounts payable within the next five years and thereafter are as follows:

2025	$ 2,148,344
2026	2,064,908
2027	1,982,088
2028	2,105,485
2029	645,964
Thereafter	12,437,933
	$ 21,384,722

Security on the 6.63% long-term debt consists of a general assignment of the rents associated with the College’s Windsor residence and a continuing interest in any and all monies deposited into an escrow account.

Security on the 2.147% long-term debt consists of entitlement to the Minister of Finance to deduct from monies appropriated by the Ontario Legislature for payment to the College, amounts equal to any amounts that the College fails to pay under these long-term debt arrangements.

Security on the 4.730% long-term debt consists of entitlement to the Minister of Finance to deduct from monies appropriated by the Ontario Legislature for payment to the College, amounts equal to any amounts that the College fails to pay under these long-term debt arrangements.

11. Post-employment benefits and compensated absences liability:

The following tables outline the components of the College's post-employment benefits and compensated absences liabilities and the related expenses.

2024	Post-employment benefits	Non-vesting sick leave	Vesting sick leave	Total liability
Accrued employee future benefits obligations	$ 865,000	$ 4,235,000	$ 52,000	$ 5,152,000
Value of plan assets	(204,000)	-	-	(204,000)
Unamortized actuarial gains (losses)	125,000	(1,376,000)	(4,000)	(1,255,000)
Total liability	$ 786,000	$ 2,859,000	$ 48,000	$ 3,693,000

2023	Post-employment benefits	Non-vesting sick leave	Vesting sick leave	Total liability
Accrued employee future benefits obligations	$ 860,000	$ 3,533,000	$ 45,000	$ 4,438,000
Value of plan assets	(203,000)	-	-	(203,000)
Unamortized actuarial gains (losses)	137,000	(816,000)	-	(679,000)
Total liability	$ 794,000	$ 2,717,000	$ 45,000	$ 3,556,000

2024	Post-employment benefits	Non-vesting sick leave	Vesting sick leave	Total expense
Current year benefit cost	$ 7,000	$ 322,000	$ 1,000	$ 330,000
Interest on accrued benefit obligation	3,000	124,000	2,000	129,000
Amortized actuarial (losses) gains	(13,000)	97,000	-	84,000
Total expense	$ (3,000)	$ 543,000	$ 3,000	$ 543,000

11. Post-employment benefits and compensated absences liability (continued):

2023	Post-employment benefits	Non-vesting sick leave	Vesting sick leave	Total expense
Current year benefit cost	$ 56,000	$ 260,000	$ 6,000	$ 322,000
Interest on accrued benefit obligation	2,000	93,000	4,000	99,000
Amortized actuarial (losses) gains	(13,000)	31,000	(151,000)	(133,000)
Total expense	$ 45,000	$ 384,000	$ (141,000)	$ 288,000

The above amounts exclude pension contributions to the Colleges of Applied Arts and Technology pension plan, a multi-employer plan, described below.

(a) Retirement benefits:

(i) CAAT Pension Plan:

A majority of the College's employees are members of the Colleges of Applied Arts and Technology Pension Plan (the "Plan"), which is a multi-employer jointly-sponsored defined benefit plan for eligible employees of public colleges and related employers in Ontario. The College makes contributions to the Plan equal to those of employees. Contribution rates are set by the Plan's governors to ensure the long-term viability of the Plan. Since the Plan is a multi-employer plan, the College's contributions are accounted for as if the plan were a defined contribution plan with the College's contributions being expensed in the period they come due.

Any pension surplus or deficit is a joint responsibility of the members and employers and may affect future contribution rates. The College does not recognize any share of the Plan's pension surplus or deficit as insufficient information is available to identify the College's share of the underlying pension assets and liabilities. The most recent actuarial valuation filed with pension regulators as at January 1, 2024, indicated an actuarial surplus of $5.3 billion (2023 - $4.7 billion). The College made contributions to the Plan and its associated retirement compensation arrangement of $8,334,500 (2023 - $8,006,462), which has been included in the statement of operations.

11. Post-employment benefits and compensated absences liability (continued):

(b) Post-employment benefits:

The College extends post-employment life insurance, health and dental benefits to certain employee groups subsequent to their retirement. The College recognizes these benefits as they are earned during the employees' tenure of service. The related benefit liability was determined by an actuarial valuation study commissioned by the College Employer Council.

The major actuarial assumptions employed for the valuations are as follows:

(i) Discount rate:

The present value as at March 31, 2024 of the future benefits was determined using a discount rate of 3.50% (2023 – 3.40%).

(ii) Medical premium:

Medical premium increases were assumed to increase at 6.16% per annum in 2024 (2023 – 6.16%) and decrease proportionately thereafter to an ultimate rate of 4.0% in 2040.

(iii) Dental costs:

Dental costs were assumed to increase at 4.0% per annum in 2024 (2023 – 4.0%).

11. Post-employment benefits and compensated absences liability (continued):

(c) Compensated absences:

(i) Vesting sick leave:

The College has provided for vesting sick leave benefits during the year. Eligible employees, after 10 years of service, are entitled to receive 50% of their accumulated sick leave credit on termination or retirement to a maximum of 6 months' salary. The program to accumulated sick leave credits ceased for employees hired after March 31, 1991. The related benefit liability was determined by an actuarial valuation study commissioned by the College Employer Council.

(ii) Non-vesting sick leave:

The College allocates to certain employee groups a specified number of days each year for use as paid absences in the event of illness or injury. These days do not vest and are available immediately. Employees are permitted to accumulate their unused allocation each year up to the allowable maximum provided in their employment agreements. Accumulated days may be used in future years to the extent that the employees' illness or injury exceeds the current year's allocation of days. Sick days are paid out at the salary in effect at the time of usage. The related benefit liability was determined by an actuarial valuation study commissioned by the College Employer Council.

The assumptions used in the valuations of vesting and non-vesting sick leave are the College's best estimates of expected rates of:

	2024	2023
Wage and salary escalation:		
Academic	3.0%	1.0%
Support	3.0%	1.0%
Discount rate	3.5%	3.4%

The probability that the employee will use more sick days than the annual accrual and the excess number of sick days used are within ranges of 0% to 23.5% and 0 to 54 respectively for age groups ranging from 20 and under to 65 and over in bands of 5 years.

12. Deferred contributions:

Deferred contributions represent unspent externally restricted funding that has been received and relates to a subsequent year. Changes in the contributions deferred to future periods are as follows:

	2024	2023
Balance, beginning of year	$ 1,880,504	$ 2,112,808
Less: bursaries awarded in the year	(4,489,550)	(585,401)
Add: amounts received in the year	16,517,869	248,130
Add: unrealized gain (loss) on long-term investments	1,132,932	(265,713)
Add: investment income received in the year	781,166	370,680
Balance, end of year	$ 15,822,921	$ 1,880,504

Deferred contributions are comprised of:

	2024	2023
Scholarships and bursaries	$ 15,671,421	$ 1,729,004
Joint employment stability reserve	151,500	151,500
	$ 15,822,921	$ 1,880,504

13. Deferred capital contributions:

Deferred capital contributions represent the unamortized amount and unspent amount of donations and grants received for the purchase of capital assets. The amortization of capital contributions is recorded as revenue in the statement of operations. The changes in the deferred capital contributions balances are as follows:

	2024	2023
Balance, beginning of year	$128,325,327	$ 118,759,610
Less: amortization of deferred capital contributions	(6,380,664)	(6,033,464)
Add: contributions received for capital purposes	7,144,008	15,599,181
Balance, end of year	$129,088,671	$ 128,325,327

As at March 31, 2024 there were $nil (2023 - $nil) of deferred capital contributions received which were not spent.

14. Deferred capital contributions relating to construction in progress:

Deferred capital contributions relating to construction in progress represents the amount of grants and other restricted funding received primarily for construction of building and equipment in progress.

	2024	2023
Balance, beginning of year	$ 531,340	$ 8,897,250
Less: amounts transferred to assets in the year	(531,340)	(8,897,250)
Add: contributions received for capital purposes	500,000	531,340
Balance, end of year	$ 500,000	$ 531,340

15. Investment in capital assets:

(a) Investment in capital assets represents the following:

	2024	2023
Capital assets	$229,155,963	$ 218,250,462
Construction in progress	10,531,702	2,514,223
Less amounts financed by:		
Long-term debt	(21,384,722)	(23,422,219)
Deferred capital contributions	(129,088,671)	(128,325,327)
Deferred capital contributions – construction	(500,000)	(531,340)
Balance, end of year	$ 88,714,272	$ 68,485,799

(b) Change in net assets invested in capital assets is calculated as follows:

	2024	2023
Deficiency of revenues over expenditures:		
Amortization of deferred capital contributions related to capital assets	$ 6,380,664	$ 6,033,464
Amortization of capital assets	(13,912,840)	(12,995,175)
(Loss) gain on disposal of assets	(52,202)	81,890
	$ (7,584,378)	$ (6,879,821)
Net change in investment in capital assets:		
Purchase and contribution of capital assets and transfers from construction in progress	$ 32,914,199	$ 21,282,516
Disposal of capital assets	(78,379)	(18,540)
Amounts funded by deferred capital contributions	(7,144,008)	(15,599,182)
Amounts funded by deferred capital contributions – construction	31,340	8,365,910
Loss (gain) on disposal of capital assets, net of expenses	52,202	(81,890)
Proceeds on long-term debt	-	(4,117,245)
Repayment of long-term debt	2,037,497	1,691,745
	$ 27,812,851	$ 11,523,314

16. Externally restricted net assets:

Externally restricted net assets include restricted donations received by the College where the endowment principal is required to be maintained intact. The investment income generated from these endowments must be used in accordance with the various purposes established by donors. The College ensures, as part of its fiduciary responsibilities, that all funds received with a restricted purpose are expended for the purpose for which they were provided.

Investment income on externally restricted endowments that was disbursed during the year has been recorded in the statement of operations since this income is available for disbursement as scholarships and bursaries and the donors' conditions have been met. The unspent portion of investment income is recorded in deferred contributions. Investment income on endowed assets recognized and deferred was $770,850 and $621,659 respectively (2023 - $400,100 and $611,343).

Externally restricted endowment funds include grants provided by the Government of Ontario from the Ontario Student Opportunity Trust Fund. Under this program, the government matches funds raised by the College. The purpose of the programs are to assist academically qualified individuals who, for financial reasons, would not otherwise be able to attend College. The programs have been discontinued.

17. Internally restricted net assets:

Internally restricted net assets are funds restricted by the College Board of Governors for future expenses. The balance for future expenses relates to the following:

2024	Financial Sustainability	Deferred Maintenance	Strategic Capital Project	Risk Management	International Scholarships	Total
Balance, beginning of year	$ 70,111,102	$ 25,878,768	$ 22,095,384	$ -	$ 5,056,127	$123,141,381
Add: contributions	3,809,466	22,047,790	13,000,000	10,000,000	240,059	49,097,315
Less: transfer for spend	-	(11,169,969)	(9,650,769)	-	(5,296,186)	(26,116,924)
Balance, end of year	$ 73,920,568	$ 36,756,589	$ 25,444,615	$ 10,000,000	$ -	$146,121,772

17. Internally restricted net assets (continued):

2023	Financial Sustainability	Deferred Maintenance	Strategic Capital Projects	International Scholarships	Total
Balance, beginning of year	$ 67,935,599	$ 24,576,548	$ -	$ -	$ 92,512,147
Add: contributions	2,175,503	8,303,852	23,000,000	5,056,127	38,535,482
Less: transfer for spend	-	(7,001,632)	(904,616)	-	(7,906,248)
Balance, end of year	$ 70,111,102	$ 25,878,768	$ 22,095,384	$ 5,056,127	$123,141,381

18. Commitments:

The College is committed to estimated minimum annual payments under operating lease agreements over the next five years as follows:

2025	$ 5,131,645
2026	4,444,000
2027	2,621,708
2028	1,933,093
2029	2,061,582

19. Contingent liabilities:

The College has been named as defendant or co-defendant in several actions for damages. The outcome and the amount of the losses, if any, are not determinable at this time and accordingly, no provision for losses has been made in these financial statements. The amount will be accounted for in the period when and if such losses are determined.

20. Risk management:

(a) Credit risk:

Credit risk is the risk of financial loss to the College if a debtor fails to make payments of interest and principal when due. The College is exposed to this risk relating to its cash, debt holdings in its investment portfolio, amount due from/to The St. Clair College Foundation, and accounts receivable. The College holds its term deposits with a provincially regulated credit union and Canadian banking institutions that are protected by the Deposit Insurance Corporation of Ontario. In the event of default, the College's term deposits are insured up to $151,724,041 (2023 - $1,685,000). In addition, the College holds its equity investments with an investment firm that is protected by the Canadian Investor Protection Fund (CIPF). In the event of CIPF member default, the College's equity investments are insured up to $1,000,000 (2023 - $1,000,000).

The investment policy sets issuer type limits on the bond portfolio and operates in accordance with the Ontario Financial Administration Act by placing a composition limit on the bond portfolio. All fixed income portfolios are measured for performance on a monthly basis and monitored by management on a monthly basis. The policy limits the funds to be invested in bonds of a single issuer to a maximum of 10% of the market value of the bond portfolio, except for bonds issued by the Government of Canada and Canadian provinces. The maximum exposure to investment credit risk is outlined in note 3.

Accounts receivable are primarily due from the Province of Ontario. As a result, the College's exposure to credit risk is limited.

The College measures its exposure to credit risk based on how long the amounts have been outstanding. An impairment allowance is set up based on the College's historical experience regarding collections. The amounts outstanding at year end were as follows:

20. Risk management (continued):

(a) Credit risk (continued):

	Total	Current	Past due 1 - 30 days	31 - 60 days	61 - 90 days	91 - 120 days
Government receivables	$ 4,457,221	$ 4,457,221	$ -	$ -	$ -	$ -
Student receivables	3,861,496	5,486	695	11,651	9,973	3,833,691
Other receivables	3,163,577	1,945,212	499,693	145,122	100,794	472,756
Gross receivables	11,482,294	6,407,919	500,388	156,773	110,767	4,306,447
Less: impairment allowance	(795,406)	-	-	-	-	(795,406)
Net receivables	$ 10,686,888	$ 6,407,919	$ 500,388	$ 156,773	$ 110,767	$3,511,041

The amount of other receivables aged greater than 90 days relates to banquet and general receivables for College services and accrued interest from the Foundation’s investment portfolio and scholarship donations. Student receivables not impaired are collectible based on the College’s assessment and past experience regarding collection rates.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and methods used to measure the risk.

20. Risk management (continued):

(b) Market risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of market factors. Market factors include three types of risk: currency risk, interest rate risk and equity risk.

The investment policy's application is monitored by the Foundation Board, management, and an investment manager. Diversification techniques are utilized to minimize risk. The policy limits the investment in any single issuer to a maximum of 10% of the market value of the bond portfolio and 5% of the market value of the equity portfolio. An exception exists for bonds issued by the Government of Canada and Canadian provinces.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and methods used to measure the risk.

(c) Currency risk:

Currency risk relates to the College operating in different currencies and converting non-Canadian earnings at different points in time at different foreign levels when adverse changes in foreign currency rates occur. The College is exposed to this risk through its equity holdings within its investment portfolio.

At March 31, 2024, a 1% fluctuation in foreign exchange rates, with all other variables held constant, would have an estimated impact on the fair values of the College's non-Canadian equity holdings of $25,278 (2023 - $16,370).

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and methods used to measure the risk.

20. Risk management (continued):

(d) Interest rate risk:

Interest rate risk is the potential for financial loss caused by fluctuations in fair value or future cash flows of financial instruments because of changes in market interest rates.

The College is exposed to this risk through its interest-bearing investments and bank loans.

The College mitigates interest rate risk on its bank loans through fixed rates (see note 10). Therefore, fluctuations in market interest rates would not impact future cash flows and operations relating to the bank loans.

The College's bond portfolio has interest rates ranging from 1% to 9% (2023 – 1.2% to 9%) with maturities ranging from June 2, 2024 to May 18, 2077 (2023 – June 2, 2023 to May 18, 2077).

At March 31, 2024, a 1% rise or drop in interest rates, with all other variables held constant, would have an estimated impact on the fair value of bonds of $650,156 loss and $650,156 gain respectively (2023 - $387,197 loss and $387,197 gain). The College's bank loans as described in note 10 would not be impacted as the rate of the loans is fixed.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and methods used to measure the risk.

(e) Equity risk:

Equity risk is the uncertainty associated with the valuation of assets arising from changes in equity markets. The College is exposed to this risk through its equity holdings within its investment portfolio. At March 31, 2024, a 10% movement in the stock markets with all other variables held constant would have an estimated effect on the fair values of the College's equities of $724,449 (2023 - $574,567).

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and methods used to measure the risk.

20. Risk management (continued):

(f) Liquidity risk:

Liquidity risk is the risk that the College will not be able to meet all cash outflow obligations as they come due. The College mitigates this risk by monitoring cash activities and expected outflows through extensive budgeting and maintaining investments that may be converted to cash in the near-term if unexpected cash outflows arise. The following table sets out the contractual maturities (representing undiscounted contractual cash-flows of financial liabilities):

2024	Within 6 months	6 months to 1 year	1 – 5 years	> 5 years
Accounts payable	$ 46,091,811	$ -	$ 5,600,000	$ -
Long-term debt	1,059,908	1,088,436	7,475,298	11,761,080
	$ 47,151,719	$ 1,088,436	$ 13,075,298	$ 11,761,080

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and methods used to measure the risk.

(g) Other risk:

On January 22, 2024, the Government of Canada (the “Government”) announced an intake cap on international student permit applications for a period of two years, resulting in a reduction of approximately 35% of approved study permits from 2023. At the end of 2024, the Government will re-assess the number of new study permits that will be processed in 2025.

In addition, as a result of these policy changes, students at public-private partnership campuses in Ontario will no longer be eligible for post-graduate work permits, which affects the sustainability of these partnerships.

A significant portion of the College’s tuition revenues is derived from international students and the College is assessing the impact of this announcement on its ability to earn revenue from international students.

20. Risk management (continued):

(g) Other risk (continued):

Amounts currently included in deferred revenue may be required to be reclassified to accounts payable and accrued liabilities once management has assessed the impact of this announcement.

21. Related parties:

St. Clair College Foundation:

The St. Clair College Foundation (the “Foundation”) which is consolidated within these financial statements, was established to raise funds for the use of the College. The Foundation is a registered charity and is classified as a public Foundation under the Income Tax Act and, as such, is exempt from tax. Resources of the Foundation are for the benefit of the College and are to be used for purposes agreed upon by the College and the Foundation. During the year, an amount of $3,718,700 (2023 - $185,301), including $nil of in-kind donations (2023 - $nil) was received from the Foundation.

The College administers the receipt and disbursement of funds on behalf of the St. Clair College Foundation at no charge.

St. Clair College Alumni:

The St. Clair College Alumni (the “Alumni”) was established to promote and foster positive St. Clair alumni connections and fellowships within the St. Clair College community and the community at large. During the year, an amount of $222,094 (2023 - $211,518), was provided to the College to invest in a GIC. The College holds the investment in trust and accrues interest to the Alumni. The investment is included in the College’s temporary investments.

22. Public college private partnership:

In 2014, the College began a public college-private partnership with a private career college for some post-secondary program delivery to international students. The College assesses and collects the gross student tuition and fees from the students and remits the applicable funds to the private partner. In return, the College receives a fee-for-service payment from the private partner.
