Preamble

This Protocol is made by the Accountability Office, following input from all stakeholders, and is designed to provide students and faculty with a fair and impartial process for determining grade appeals and also provide all participants with personal protection in accordance with official health unit recommendations, by eliminating any face to face contact between participants throughout the appeal process.

This Protocol shall work in conjunction with the Academic Grade Appeal Policy; however, should any part of this Protocol conflict with any part of the Academic Grade Appeal Policy, this Protocol shall take precedence.
