

Steps to apply for OSAP

- 1** Go to ontario.ca/osap.
- 2** Click “Register” to create your profile. We’ll let you know when it’s time to apply.

Once you create an OSAP profile, you will be assigned an OSAP Access Number (OAN).
- 3** Log in and click “start new app” to fill out the application.
- 4** Gather all required documents. (You’ll get a list at the end of your application.)
- 5** Upload your documents online or mail/deliver them to your financial aid office.

- 6** Your OSAP Notice of Assessment includes your 10-digit MSFAA number. Once you receive an email from the National Student Loans Service Centre, it is important to follow the instructions & register your MSFAA. **Your OSAP will not proceed until this is completed.**

The Master Student Financial Assistance Agreement (MSFAA) is your lifetime loan agreement.

- 7** Track the status of your application online, and learn how much money you’ll get and when. You can even do this from your phone!
