# TECHNOLOGY SUMMER CAMP

Take part in a two week summer camp designed for international students who are passionate about technology, coding, and entrepreneurship!

Located at the St. Clair College Main Campus in Windsor, Ontario, students will learn important skills for the future and gain knowledge through college level courses in artificial intelligence, coding, gaming, and cybersecurity. With hands-on learning and real-world applications, students will enhance their educational experiences by studying in state-of-the-art facilities.

Taught by inspiring academic leaders, students will gain valuable international academic experience, make new friends, and experience college life at a top institution.

**DEADLINE TO APPLY: MARCH 20, 2025**
