

ANNOUNCEMENTS

We Made It! 1 Year of providing our Staff and Students with insight into the work that the IT Services Department is doing, CyberSecurity Awareness, useful tips & tricks and a little bit of brain-teasing enjoyment.

We hope everyone found something interesting in our passed issues and we're looking forward to bringing you new content and a new look for the Fall.

We will be taking a hiatus for the summer to work on version 2 of the IT Insights Newsletter.

Wishing our Staff and Students a safe and enjoyable Summer!

AROUND THE COMMUNITY

Connecting Windsor Essex (CWE) along with community partners and grants from the Provincial Government, have implemented free public-space WiFi networks in 21 locations around the county, including Lakeshore, Belle River, Kingsville and Leamington. The hotspots will allow patrons of these locations to enjoy free wireless Internet access outside. It has been a 3 year implementation, with many more locations coming soon. For additional information, please watch a short video from [CBC Windsor](#) and read the following [CBC News article](#). St. Clair College is a stakeholder of CWE.

FEATURED PROJECTS & INITIATIVES

IT Client: IT Client Services will be replacing computers in many of the labs and classrooms at the South, Downtown and Chatham campuses this summer.

We will also be moving many of the student-centric departments, like OneCard, Financial Aid and Registrars Office, into the NEW Welcome Centre.

IT Enterprise: Exciting News! We are thrilled to announce the upcoming upgrade to our college's Wi-Fi system. The new system will support higher density and Wi-Fi 6 technology, ensuring faster speeds, improved connectivity, and a more reliable network experience for all staff and students. Stay tuned for further updates as we enhance our campus's digital infrastructure!

MONTHLY FEATURES

IT CLIENT:

With some computer hardware replacements coming this summer, its a good time to remind users how to [backup their personal data](#).

TEAM SPOTLIGHT

Our Special IT Team for June is our **South Campus Audio Video team**. This knowledgeable team is responsible for making sure that the projectors, screens and audio are all working in the classrooms and meeting rooms throughout the South campus.

They have years of audio/visual experience and are an integral part of the student's classroom experience!

Thank you for all you do!

THE CYBERSECURITY CORNER

Cybersecurity Awareness Training: - Stay Secure!

As part of our ongoing commitment to safeguarding our organization's digital assets, we have launched a Cybersecurity Awareness Program for all staff. Cyber threats are evolving, and it's crucial for all staff to actively participate in protecting our sensitive information.

What to Expect:

Regular Emails: You will receive emails from **cyberawareness@stclaircollege.ca**, providing education on identifying and responding to cyber threats, practical security tips, and guidance on choosing strong passwords and protecting your data.

Training Videos: Watch 3-5 minute videos included in the emails and answer related questions to reinforce your knowledge.

Engagement: Occasionally, you will be asked to answer additional questions to gauge our organization's overall cybersecurity awareness.

Immediate Action:

Stay tuned to your email: Regular updates and training materials will be sent.

Stay informed: Read and apply the advice shared.

Report: Promptly report any suspicious activity to reportspam@stclaircollege.ca.

Remember, we are all part of the defense against cybercrime. Let's work together to keep our organization's data secure.

Together, we can keep our organization's data secure.

GRIFF'S PRO TIP OF THE MONTH

To proofread a long document, copy and paste it into Google Translate and listen to it. This makes it easier to pick out grammar mistakes, and minor typos.

BONUS TIP: Saving your PowerPoint presentation in .PPS format instead of .PPT will open it in slideshow

mode automatically.

THIS MONTH'S CONTEST

There is no contest this month. See you in September!

[Click here to see contest rules.](#)

LAST MONTH'S CONTEST WINNERS

Thank You for all your submissions and suggestions! Some very useful input to review for Newsletter 2.0. The winners for the month of May are:
